## ***Teaching in China: A Dessert & Movie Event***

**Saturday, May 11 at 3:00 pm and Sunday, May 12 at 7:30 pm**

Join Barbara and David Hodgdon as they share a documentary movie about their year of teaching in China. In 1994, upon her retirement, Barbara landed a teaching “gig” at Shandong University in Jinan, China. Her assignment was to teach English to all the first-year PhD students in the university, and Dave signed on to be her assistant. Together they taught and participated in the lives of an amazing group of students. In addition to the 12 hours/week of classroom instruction with these students, Barb and Dave enjoyed bicycle trips, cooking lessons, meals in the student’s homes, and evening “open house” events in their own home for the practice of English. And throughout these rich experiences, the video camera captured special moments.

Sadly, Barb and Dave had just completed this teaching year at Shandong University before a group of Live Oak members joined Peter Haslund for a tour of China which included a few days at Shandong. For those of you who made that trip with Peter, perhaps this movie will bring back fond memories of those days in Jinan.

Upon their return from China, Barbara created a 30 minute documentary about this wonderful teaching experience and it is that movie which they will share at this Dessert & Movie event.

The cost is \$20 per person. There are 2 spaces still open on each day.

To register, please contact: Jane Gray at [zenigari@yahoo.com](mailto:zenigari@yahoo.com) or 310.562.1704.
