### *Dessert with Dreamers*

Friday, June 22, 2018 from 7:00 pm to 9:00 pm

Join Carolyn Chaney and Curt Nehring as they treat you to yummy dessert while you enjoy a wonderful film about a dreamer. *East of Salinas* takes us to the heart of California's "Steinbeck Country," the Salinas Valley, to meet a bright boy and his dedicated teacher — both sons of migrant farm workers. With parents who are busy working long hours in the fields, third grader Jose Ansaldo often turns to his teacher, Oscar Ramos, for guidance. But Jose is undocumented; he was born in Mexico. Like many other migrant children, he is beginning to understand the situation — and the opportunities that may be lost to him through no fault of his own. Reviews are great...you don't want to miss this film, and it is NOT available anywhere else.

Film rental from the film maker courtesy of the Social Action Committee, Redwood City UU Fellowship.

The cost of this event is \$20 per person, and this is open to 6 people.
