COVID-19 Vaccination Update

Santa Barbara County is now well into its first week of making vaccines available to everyone ages 16 and older. By this Thursday, April 15th, all vaccine providers in the County should be offering vaccine using this guidance. The Public Health Department is providing vaccines in a daily large-scale community vaccination clinic in Santa Barbara this week.

Please remember that for persons aged 16-18, the only vaccine currently approved is the Pfizer BioNTech vaccine. This may reduce the number of locations that can vaccinate people in this age group, as that vaccine has more stringent cold-holding requirements than other vaccine options.

You may have heard that the FDA and CDC recommended that vaccine providers pause their use of the Johnson & Johnson one-shot vaccine (Janssen vaccine) while reports of possible rare blood clots are evaluated. **Please note that these clots are very rare – six have been reported in the entire United States, about one case for every one million doses of the Johnson & Johnson vaccine administered** -- and at this time appear to have only been reported in women. More information will be shared here as it becomes available.

As the vaccine (and pandemic) situation is changing constantly, this information will be updated weekly in the Acorn.

Who can get the vaccine in Santa Barbara County at this time?

Anyone aged 16 or older

Where can people get the vaccine?

The Public Health Department has a large community vaccination clinic in Santa Barbara this week, ending on Sunday. Appointments are required and can be made on the public health website (see link below). Contact your primary health care provider to see if they are giving the vaccine to their patients.

Local pharmacies also offer vaccination appointments (CVS, Walgreens, RiteAid, **and Costco** offer appointments).

Local hospitals and larger clinics are also offering vaccination appointments

Industry-specific clinics are sometimes arranged through employers for workers in those industries.

Veterans may be eligible to be vaccinated through the VA.

COVID-19 Vaccination Update

How can I make an appointment?

Visit the Public Health Department's vaccine website (<https://publichealthsb.org/vaccine/>) for links to scheduling sites for a wide range of vaccine providers, including area hospitals, special clinics, and pharmacies offering vaccination.

If you are not able to go online or need additional assistance, you can call 2-1-1, select your language preference, then select option 4 to be transferred to an operator who can help you make an appointment

The Santa Barbara County Public Health Department releases new appointment slots for vaccines on Monday mornings at 9 a.m.

You can make an appointment for Cottage Hospital's drive-through clinic in Goleta at: <https://asap.pdllabs.com/non-ees/CottageCovidVaccine.aspx>

Lompoc Valley Medical Center is providing vaccinations to residents of the Lompoc Valley; more information can be found at: <https://lompocvmc.com/health-wellness/diseases-conditions/coronavirus/vaccinations>

Patients of Sansum Clinic should contact Sansum for more information about vaccine appointments: <https://covid19.sansumclinic.org/vaccine#info>

Marian Regional Medical Center in Santa Maria is also offering vaccination appointments. More information can be found here: <https://www.dignityhealth.org/central-coast/locations/marianregional/coronavirus>

Veterans in multiple age groups may be eligible for vaccination through the Veteran's Administration (VA). Contact the VA for more information.

The State's My Turn website available and can be used to book appointments locally. The website is: <https://myturn.ca.gov/>

After vaccination:

Remember that we all still need to practice social distancing, wear a face cover, and take standard COVID-19 precautions after we are vaccinated and until the pandemic has subsided. If you do choose to gather with others, **outdoors is safer than indoors**. Vaccination greatly reduces your risk of contracting COVID-19, but it is not perfect. Continuing to follow masking and social distancing guidance while the pandemic is ongoing protects both people who are still waiting to get the vaccine as well as those who have received it. Let's keep taking care of each other -- until we are all taken care of.

If you have specific questions, please contact Kendra Wise at kendrawise@gmail.com.

Religious Exploration 04.11.21

THURSDAY EVE APRIL 15 @ 7:00 PM

Live Oak and USSB Religious Exploration's Minecraft play date, if you have been participating in ChUurchcraft on Sundays, please join us. It will be for fun and connecting with UU kids from the downtown congregation. *If you have not been admitted onto the USSB server, you will need to contact Steven or Christina from downtown, it cannot happen at 7:00 on Thursday.* Use our usual link below for the playdate,

To all students and families of Religious Exploration...

We are taking our awareness to the fact that school is out in less than two months. This means we are facing another RE Sunday, which will be Sunday May 30th. It will also be our second RE Sunday on Zoom because of the pandemic.

Our theme for RE Sunday is "Reflections", as the isolation and social distancing has created for us, a chance to reflect. This congregation would be really moved by our RE kids if we shared important thoughts that have come up or changed during this pandemic. The hope is that we are revealing ourselves in light of the "winding down" of this major event in the life of this planet and humankind.

Our reflections will cover 3 topics: 1. Inspirational figure 2. UU Principle that you resonate with 3. What do you look forward to the most when this pandemic is over. It would be great if for each topic there were 3-5 speakers, it doesn't have to be everyone all the time.

It would be really amazing to get a self portrait from all RE Students. A self portrait may or may not be a drawing/painting of the artist. It can be a compilation of images that appeal to the artist and what they like.

We have two more "Reflections" for Tuesday at 4:00 PM and truly hope everyone can make one of these Tuesdays.

MINECRAFT/CHUURHCRAFT

We will continue with our ChUurchcraft temple building the weeks of April 18 and 25. We open Zoom at 8:30 and start at 8:45. We might continue to do "play dates" after that but Sundays will shift focus in May as we get closer to our special service on the 30th. Thank you.

Greetings From Your Fundraising Shepherds

Your fundraising shepherds once again want to share some ideas that are in the works that can be functional even when we are in a lockdown. Here are two that we've mentioned previously in The Acorn:

1. **Sell items** to Live Oak members by advertising in The Acorn. For example, Kristin Ingalls has shown and sold two beautiful handmade tapestries in this way and then donated the proceeds to Live Oak. Thank you, Kristin! And most recently, Priscilla Marchus and Glen Takaichi have generously donated their condo on Kauai for a week to a Live Oak family with the proceeds going to Live Oak. Thanks so much, Priscilla and Glen! Is there something that you feel would be of interest to offer in The Acorn? Or you can . . .

2. **Sell items** on outside sites such as Next Door, Facebook Marketplace, or Craigslist. This is the "no shlepping" rummage sale you saw advertised in The Acorn during the fall.

Bottom line: these sorts of sales are easy and free to advertise, with the profits going to Live Oak. Of course, using outside sites allows for money to come not from other Live Oak members but from outside of the congregation.

Carter and Wendy Morgan recently sold this dresser on Facebook Marketplace. The full proceeds of this sale (\$130) will be donated to Live Oak.

Please feel free to post a sale item (with a photo) in The Acorn. Or you can contact any of the Fundraising Shepherds if you would like to discuss items for sale or other creative fundraising ideas that you may have.

Thank you!

Your shepherds - Carter and Wendy Morgan, Kristin Ingalls, Paula Bagalio

Food Collection During Sheltering in Place

Thanks so much to those of you who have generously contributed food to the Santa Barbara Food Bank. As you probably know, this is a terrific organization that is filling an even larger-than-usual need in our community. We are glad to have Live Oak support their efforts!

Items that are particularly appreciated include: canned goods such as tuna, fruit, beans, and soups; peanut butter; pasta; rice; cereal. We will gather items every Monday.

You can donate food in one of three ways any day of the week:

- You can drop off donations in boxes that we have put out at Live Oak on the patio just outside of the cottage;
- You can drop off in a box we have left outside of our front door at home: 6542 Camino Caseta in Goleta; or
- You can get in touch with us via email (morganfamily1@cox.net) for a pickup at your home. Just leave food donations in a bag (preferably paper) outside of your door.

Thanks for your support of families in our community!

-Carter and Wendy Morgan

Garden Boutique Postponed

Unfortunately, we are officially postponing our Garden Boutique until our new Regathering Task Force develops a clear plan for reopening our LOUUC campus. Some of us have been growing some live (and knitted) plants to sell as a LOUUC fundraiser. We can save these until the Task Force feels it is safe to get back together again. I have some yellow and some purple iris in pots, and I would be glad to deliver these as gifts...just let me know if you want iris, what color, and how many (I have about 12 of each color). -Carolyn Chaney

Help Create a Central Coast Public Bank

Creation a public bank as a depository and lending bank for public agencies could save Santa Barbara County millions of dollars per year and improve our quality of life. Hal Hill and John Douglas are working as part of a five-county advocacy group to form a public bank. Santa Cruz County Supervisor Zach Friend has sent an email to the Santa Barbara County Board of Supervisors asking them to pass a resolution declaring it's intent to join with the other Central Coast counties in their effort to form a public bank.

Hal needs you to step up and agree to give a three-minute speech to the Board, via Zoom, on this matter. Please contact Hal at harold-hill770@hotmail.com or (805) 680-7528 and he will send a draft script to you and instructions on how to participate in the meeting webinar with the SB County Board of Supervisors. Thank you -Hal Hill
